ACS HOG RINGS

Stainless Steel 304 - 16Gauge “C” Ring Fastener for the Standard 1/2” and 3/4” Pneumatic Hog Ring Tool

Service Temperature to 1200 °F
Corrosive Resistant
Extremely Durable

1/2” and 3/4” Stainless Steel 304 Hog Rings are manufactured to the industry standards. The sharp pointed “C” rings are then bonded with a heat set tape on to sticks for easy insertion into standard guns.
HOG RINGS

Stainless Steel 304 - 16Gauge “C” Ring Fastener for the Standard 1/2” and 3/4” Pneumatic Hog Ring Tool

- Service Temperature to 1200°F
- Corrosive Resistant
- Extremely Durable

1/2” and ¾” Stainless Steel 304 Hog Rings are manufactured to the industry standards. The sharp pointed “C” rings are the bonded with a heat set tape on to sticks for easy insertion into standard guns.

Description:
There are two ways to get the 16 gauge ¾” Hog Rings. They come in either the 11,000 piece bulk pack or the four pack with four small boxes of 2,200 for a total 8,800 pieces. The ½” comes in a 10,000 piece pack.

Uses:
Hog Rings are used on pneumatic Hog Ring guns to assemble many things from lobster traps to removable and reusable insulation blankets. ACS Hog Ring fasteners are the easiest method of securing ACS knitted wire mesh when fabricating insulation blankets.
